

## START SMART GOLF

- A parent-child participation program for young children, ages 5-7, who have never played golf.
- Utilizes the SNAG Coaching System, a unique patented system that moves parent-child groups through four stations during one-hour sessions, once a week for 6 weeks.
- Teaches children a variety of golf skills including: putting, chipping, pitching and the full-swing.
- Uses positive reinforcement and FUN activities while teaching the participants the motor skills necessary to play golf.
  - Uses fun, developmentally appropriate equipment that can be used almost anywhere.

## THE SURVEY SAYS

- 67% of parents are more likely to be involved in their child's sports experiences as a result of participating in Start Smart.
  - According to a 1993 study:**
  - 49% of the 5-10 year olds tested did not have the sports skills necessary to successfully compete in organized sports.
    - 70% of children drop out of organized sports by the age of 13.
