

## Week 7: Lesson 2

### Judging Others: Kindness

Try this tongue twister: A boy named Bill was blue and yellow. Boys bullied Bill, he became bitter. One boy was brave, he befriended Bill. Bill felt blessed and blissful. His blue face beamed, his yellow body breathed bigger. Boys can make others feel bad or better. So, be bold. Be a better brother.

Repeat 3 times fast. Then, do as it says!

## WEEKLY GOAL

Set up a time to talk with someone who is different than you. Ask them questions to learn about their culture, traditions, and other unique traits.
